SUMMARY

Passionate Full-stack Web Developer with expertise in Django, HTML, CSS, JavaScript, and Bootstrap. Experienced in creating dynamic, responsive web applications and proficient in Java and Python. Dedicated to delivering high-quality work and quickly adapting to new technologies. Ready to drive innovation and achieve organizational goals.

SKILLS

Languages: Python, Java

Frameworks: Django, Bootstrap

Databases: MySQL, PostgreSQL

Developer Tools: Git, VS Code, PyCharm, IntelliJIDEA

Soft Skills: Communication, Problem solving, Leadership, Teamwork and Collaboration

PROJECTS

YourNextCollege - A College Finder App using APIs from AISHE

Developed a web app for searching and filtering higher educational institutions in India. Designed and implemented a sleek user interface to search for higher educational institutions using the APIs from AISHE website. Introduced features to search for institutions based on state, district, type of institution (college, standalone or university). Also gave the users information about top ranked educational institutions in India

Tools and technologies used: Django, HTML, CSS, JavaScript, Bootstrap, PostgreSQL

NoteNinja - A simple and fun way to take notes

Developed a web app to take notes and display them in an easy to view format with simple but very engaging user interface. Implemented features to create, view, update and delete notes. Added User authentication to keep notes secure and private

Tools and technologies used: Django, HTML, CSS, JavaScript, Bootstrap, PostgreSQL

EasyChat - Chatting Application

Developed a minimalist mobile app for chatting. Implemented features like syncing user contacts automatically to enable user to have a more personalized chatting experience, included a search bar to easily search for contacts, timestamps for each message and a profile section where user can upload their profile photo and view their details

Tools and technologies used: XML, Kotlin, Firebase

EDUCATION

PSG College of Technology

Master of Computer Applications - CGPA: 9.26*

Coimbatore, India

2023 - 2025

PSG College of Arts and Science

Bachelor of Science in Electronics - CGPA: 7.5

Coimbatore, India

2020 - 2023

EXPERIENCE

Enthutech

Summer Internship

Coimbatore, India

2022

CERTIFICATIONS

Emotional Intelligence - NPTEL

Issued April 2022

EXTRACURRICULAR

Student Placement Coordinator - Department of Computer Applications

PSG College of Technology (2023 - 2025)
